WALKING IN THE FOOTSTEPS OF HISTORY: BEYOĞLU

This part of Istanbul witnessed the rise and fall of the Byzantine and Ottoman empires. Beyoğlu, or Pera, was the center of commerce and cosmopolitan city life, as well as the meeting point for people of all religions and languages for centuries.

It has traditionally been the focal point of new trends, diverse views and fashion for the rest of the city. Take a walk through Beyoğlu to see its marvels and discover the soul of Istanbul one step at a time!
